On November 21, 2023, LGI Homes, Inc. (the “Company”) completed an offering of \$400,000,000 aggregate principal amount of its 8.750% Senior Notes due 2028 (the “Notes”). The Notes were issued pursuant to an Indenture, dated as of July 6, 2018 (the “Base Indenture”), among the Company, the potential subsidiary guarantors listed therein and Wilmington Trust, National Association, as trustee under the Base Indenture, as amended and supplemented by the Fourth Supplemental Indenture thereto, dated as of November 21, 2023 (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), among the Company, the subsidiaries of the Company that guarantee the Company’s obligations under its revolving credit facility and Regions Bank, as trustee for the Notes.

The Indenture contains covenants that, among other things, limit the ability of the Company and its restricted subsidiaries to incur certain liens securing indebtedness without equally and ratably securing the Notes and the related guarantees, enter into certain sale and leaseback transactions, enter into certain business combinations with third parties and designate certain subsidiaries as unrestricted subsidiaries. These covenants are subject to significant exceptions. The Indenture also contains customary events of default.

Offers of the Notes will be made only by means of a private offering memorandum.

FOURTH SUPPLEMENTAL INDENTURE, dated as of November 21, 2023 (this “Supplemental Indenture”), by and among LGI HOMES, INC., a Delaware corporation (the “Company”), each of the Subsidiary Guarantors (as defined herein) and REGIONS BANK, an Alabama state banking corporation, as trustee for the Notes (as defined herein) (the “Trustee”), to the Indenture, dated as of July 6, 2018 (the “Base Indenture” and, as amended, modified or supplemented from time to time in accordance therewith, the “Indenture”), by and among the Company, each of the Subsidiary Guarantors listed therein and Wilmington Trust, National Association, a national banking association, as trustee under the Base Indenture (“Wilmington”).

Each party agrees as follows for the benefit of the other parties and for the equal and ratable benefit of the Holders (as defined herein):

WHEREAS, the Company, the Subsidiary Guarantors and Wilmington have duly authorized the execution and delivery of the Base Indenture to provide for the issuance from time to time of the Company’s debentures, notes, bonds or other evidences of indebtedness to be issued in one or more series as in the Indenture provided (as defined therein, “Securities”);

WHEREAS, the Company and the Subsidiary Guarantors desire and have requested the Trustee to join them in the execution and delivery of this Supplemental Indenture in order to establish and provide for the issuance by the Company of a series of Securities designated as its 8.750% Senior Notes due 2028, substantially in the form attached hereto as Exhibit A (the “Notes”), guaranteed by the Subsidiary Guarantors, on the terms set forth herein;

WHEREAS, Section 2.01 of the Indenture provides that a supplemental indenture may be entered into for such purpose provided certain conditions are met;

WHEREAS, the conditions set forth in the Indenture for the execution and delivery of this Supplemental Indenture have been complied with; and

WHEREAS, all things necessary to make this Supplemental Indenture a valid agreement of the Company, the Subsidiary Guarantors and the Trustee, in accordance with its terms, and a valid amendment of, and supplement to, the Indenture have been done;

NOW, THEREFORE:

In consideration of the premises and the purchase and acceptance of the Notes by the Holders thereof, the Company and the Subsidiary Guarantors mutually covenant and agree with the Trustee, for the equal and ratable benefit of the Holders, that the Indenture is supplemented and amended, to the extent expressed herein, as follows:

ARTICLE ONE

Scope of Supplemental Indenture; General

The changes, modifications and supplements to the Indenture effected by this Supplemental Indenture shall be applicable only with respect to, and govern the terms of, the

Notes, which shall not be limited in aggregate principal amount, and shall not apply to any other Securities that may be issued under the Indenture unless a supplemental indenture with respect to such other Securities specifically incorporates such changes, modifications and supplements. Pursuant to this Supplemental Indenture, there is hereby created and designated a series of Securities under the Indenture entitled “8.750% Senior Notes due 2028.” The Notes shall be in the form of Exhibit A hereto, which is hereby incorporated into this Supplemental Indenture by reference. The Notes shall be guaranteed by the Subsidiary Guarantors as provided in such form and the Indenture.

For the avoidance of doubt, (i) Regions Bank is the Trustee under the Indenture for the Notes and (ii) Wilmington remains the trustee under the Base Indenture, as supplemented by the third supplemental indenture thereto dated as of June 28, 2021, among the Company, the Subsidiary Guarantors and Wilmington, for the Company’s 4.000% Senior Notes due 2029.

ARTICLE TWO

Certain Definitions

The following terms have the meanings set forth below in this Supplemental Indenture. Capitalized terms used but not defined herein have the meanings ascribed to such terms in the Indenture. To the extent terms defined herein differ from the Indenture the terms defined herein will govern.

“Acquired Indebtedness” means (1) with respect to any Person that becomes a Restricted Subsidiary after the Issue Date, Indebtedness of such Person and its Subsidiaries existing at the time such Person becomes a Restricted Subsidiary that was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary and (2) with respect to the Company or any Restricted Subsidiary, any Indebtedness of a Person (other than the Company or a Restricted Subsidiary) existing at the time such Person is merged with or into the Company or a Restricted Subsidiary, or Indebtedness expressly assumed by the Company or any Restricted Subsidiary in connection with the acquisition of an asset or assets from another Person, which Indebtedness was not, in any case, incurred by such other Person in connection with, or in contemplation of, such merger or acquisition.

“Additional Notes” means any additional Notes issued from time to time under the Indenture having the same terms as the initial Notes other than the size, price, issue date and first interest payment.

“Affiliate” of any Person means any other Person which directly or indirectly controls or is controlled by, or is under direct or indirect common control with, the referent Person.

“Affiliated Persons” means, with respect to any specified Person, (1) such specified Person’s parents, spouse, siblings, descendants (including adoptees), step children, step grandchildren, nieces and nephews and their respective spouses, (2) the estate, legatees and

devises of such specified Person and each of the Persons referred to in clause (1) of this definition, and in the event of the incompetence or death of any of the persons described in clause (1), such person's executor, administrator, committee or other personal representative or similar fiduciary, (3) any trusts or private foundations created primarily for the benefit of, or controlled at the time of creation by, any of the persons described in the above clause (1) or (2) of this definition, or any trusts or private foundations created primarily for the benefit of any such trust or private foundation or for charitable purposes, and (4) any company, partnership, or other entity or investment vehicle controlled by any of the Persons referred to in clause (1), (2) or (3) of this definition or the holdings of which are for the primary benefit of any of such Persons.

“Applicable Premium” means, with respect to any Note on any Redemption Date, the excess, if any, of (1) the present value at such Redemption Date of (A) the redemption price of such Note that would apply if such Note were redeemed on December 15, 2025 (such redemption price (expressed in percentage of principal amount) being set forth in the table appearing in Section 3.12(d)), plus (B) all remaining scheduled payments of interest due on such Note to and including December 15, 2025 (excluding accrued but unpaid interest, if any, to, but excluding, the Redemption Date), computed using a discount rate equal to the Treasury Rate as of such Redemption Date plus 50 basis points, over (2) the principal amount of such Note, which Applicable Premium shall be calculated by the Company, and the Trustee shall have no obligation to verify or confirm any such calculation.

“Attributable Indebtedness,” when used with respect to any Sale and Leaseback Transaction, means, as at the time of determination, the present value (discounted at a rate equivalent to the Company's then-current weighted average cost of funds for borrowed money as at the time of determination, compounded on a semi-annual basis) of the total obligations of the lessee for rental payments during the remaining term of any Capitalized Lease included in any such Sale and Leaseback Transaction.

“Below Investment Grade Rating Event” means that the Notes become rated below an Investment Grade Rating by each of the Rating Agencies on any date from the date of the public notice of an arrangement that results in a Change of Control until the end of the 60-day period following public notice of the occurrence of a Change of Control (which period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any of the Rating Agencies) (the “Ratings Decline Period”). In determining whether a Change of Control has occurred for purposes of this definition, the last paragraph under the definition of “Change of Control” shall be disregarded.

“Business Day” means a day other than a Saturday, Sunday or a day on which banking institutions in any of The City of New York, New York, Houston, Texas or a place of payment are authorized or obligated by law, regulation or executive order to remain closed.

“Capitalized Lease” means, at the time any determination thereof is to be made, a lease that would at such time be required to be capitalized and reflected as a liability on a balance sheet (excluding the footnotes thereto) prepared in accordance with GAAP; *provided* that all obligations of any Person that are or would be characterized as operating lease obligations in accordance with GAAP on December 31, 2021 (whether or not such operating lease obligations

were in effect on such date or entered into thereafter) shall continue to be accounted for as operating lease obligations (and not as a Capitalized Lease) for purposes of the Indenture regardless of any change in GAAP following December 31, 2021 that would otherwise require such obligations to be recharacterized (on a prospective or retroactive basis or otherwise) as a Capitalized Lease.

“Capitalized Lease Obligation” of any Person means, at the time any determination thereof is to be made, the amount of the liability in respect of a Capitalized Lease that would at such time be required to be capitalized and reflected as a liability on a balance sheet (excluding the footnotes thereto) prepared in accordance with GAAP; *provided* that all obligations of any Person that are or would be characterized as operating lease obligations in accordance with GAAP on December 31, 2021 (whether or not such operating lease obligations were in effect on such date or entered into thereafter) shall continue to be accounted for as operating lease obligations (and not as Capitalized Lease Obligations) for purposes of the Indenture regardless of any change in GAAP following December 31, 2021 that would otherwise require such obligations to be recharacterized (on a prospective or retroactive basis or otherwise) as Capitalized Lease Obligations.

“Cash Equivalents” means:

- (1) marketable obligations with a maturity of one year or less issued or directly and fully guaranteed or insured by the United States of America or any agency or instrumentality thereof;
- (2) demand and time deposits and certificates of deposit or acceptances with a maturity of one year or less of any financial institution that is a member of the Federal Reserve System having combined capital and surplus and undivided profits of not less than \$500,000,000 and is assigned at least a “B” rating by Thomson Financial BankWatch;
- (3) commercial paper maturing no more than 180 days from the date of creation thereof issued by an entity that is not the Company or an Affiliate of the Company, and is organized under the laws of any State of the United States of America or the District of Columbia and rated at least A-1 by S&P or at least P-1 by Moody’s;

(2) the stockholders of the Company adopt a plan of liquidation or dissolution of the Company; *provided* that a liquidation or dissolution of the Company which is part of a transaction that does not constitute a Change of Control pursuant to the proviso contained in clause (3) of this definition shall not constitute a Change of Control; or

(3) the sale of all or substantially all the assets of the Company and its Restricted Subsidiaries (determined on a consolidated basis) to another Person (other than by way of merger or consolidation and other than to the Company or any of its Subsidiaries); *provided* that a transaction following which each transferee is or becomes an obligor in respect of the Notes and a Subsidiary of the transferor of such assets shall not constitute a Change of Control.

Notwithstanding the foregoing, any of the events described above in clauses (1) through (3) of this definition shall not constitute a “Change of Control” (i) after a Suspension Event unless a Below Investment Grade Rating Event also occurs in connection therewith and (ii) if the Notes are rated below an Investment Grade Rating prior to the announcement of such event, unless a Ratings Decline also occurs in connection therewith.

“Change of Control Offer” has the meaning set forth in Section 4.09(b).

In addition, for purposes of calculating the Consolidated Net Tangible Assets, investments, acquisitions, mergers, consolidations, dispositions, amalgamations, discontinued operations (as determined in accordance with GAAP), any operational changes and changes in the composition of the Restricted Subsidiaries that have been made by the Company or any of its Restricted Subsidiaries, or any Person or any of its Restricted Subsidiaries acquired by, merged or consolidated with the Company or any of its Restricted Subsidiaries, and including any related financing transactions and including increases in ownership of Restricted Subsidiaries, subsequent to the end of the most recently completed fiscal quarter and on or prior to the date of determination will be given *pro forma effect* as if they had occurred at the end of such fiscal quarter. The notice of redemption will state whether the redemption is conditioned on any events and what such conditions are.

Section 4.03. Effect of Notice of Redemption.

Section 3.05 of the Indenture shall be amended by replacing that section of the Indenture in its entirety with the following, but only with respect to the Notes:

SECTION 3.05 *Effect of Notice of Redemption.*

(a) Once notice of redemption is sent, subject to the satisfaction (or waiver) of any conditions precedent, Notes called for redemption become due and payable on the Redemption Date and at the Redemption Price. Upon surrender to the Paying Agent, such Notes called for redemption shall be paid at the Redemption Price, but interest installments whose maturity is on or prior to such Redemption Date will be payable on the relevant Interest Payment Dates to the Holders of record at the close of business on the relevant record dates specified pursuant to Section 2.01.

(b) Any such redemption of Notes or notice thereof may, at the Company's discretion, be subject to one or more conditions precedent, including, but not limited to, completion of a corporate transaction or other event. If any redemption is so subject to the satisfaction of one or more conditions precedent, the notice thereof shall describe each such condition and, if applicable, shall state that, in the Company's sole discretion, the Redemption Date may be delayed until such time as any or all such conditions shall be satisfied (or waived by the Company in its sole discretion), and/or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Company in its sole discretion) by the Redemption Date, or by the Redemption Date as so delayed, and/or that such notice may be rescinded at any time by the Company if the Company determines in its sole discretion that any or all of such conditions will not be satisfied (or waived). If any Redemption Date shall be delayed as contemplated by this subsection and the terms of the applicable notice of redemption, such Redemption Date as so delayed may occur at any time after the original Redemption Date set forth in the applicable notice of redemption and

after the satisfaction (or waiver) of any applicable conditions precedent, including, without limitation, on a date that is less than 10 days after the original Redemption Date or more than 60 days after the date of the applicable notice of redemption. In addition, the Company may provide in such notice that payment of the Redemption Price and performance of the Company's obligations with respect to such redemption may be performed by another Person.

Section 4.04. Optional Redemption.

The following provision shall be added to Article III of the Indenture, but only with respect to the Notes:

SECTION 3.12 *Optional Redemption.*

(a) Redemption of the Notes, as permitted by any provision of this Indenture, shall be made in accordance with such provision, Article III of this Indenture and paragraph 5 of the Notes.

(b) At any time prior to December 15, 2025, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of the Notes at a Redemption Price of 108.750% of the principal amount, plus accrued and unpaid interest, if any, to, but excluding, the Redemption Date (subject to the rights of Holders of record of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date), with an amount equal to all or a portion of the net cash proceeds of one or more Equity Offerings; provided that:

(1) at least 60% of the aggregate principal amount of the Notes issued under the Indenture (including any Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company and its Subsidiaries); and

(2) the redemption occurs within 120 days of the date of the closing of each such Equity Offering .

(c) At any time prior to December 15, 2025, the Company may on one or more occasions redeem all or a part of the Notes at a Redemption Price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest to, but excluding, the Redemption Date, subject to the rights of Holders of record of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date.

(d) On or after December 15, 2025, the Company may on any one or more occasions redeem all or a part of the Notes at the Redemption Prices (expressed as percentages of principal amount of the Notes redeemed) set forth below, plus accrued and unpaid interest, if any, on the Notes to be redeemed to, but excluding, the applicable Redemption Date (subject to the rights of Holders of record of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date), if redeemed during the twelve-month period beginning on December 15 of the years indicated below:

| Year | Percentage |
|---------------------|-------------------|
| 2025 | 104.375% |
| 2026 | 102.188% |
| 2027 and thereafter | 100.000% |

ARTICLE FIVE

Covenants

Section 5.01. Compliance Certificate.

Clause (b) of Section 4.04 of the Indenture shall be amended by replacing that clause of Section 4.04 of the Indenture in its entirety with the following, but only with respect to the Notes:

(b) The Company or any Subsidiary Guarantor shall, so long as Securities of any series are outstanding, deliver to the Trustee, within 30 days after any Officer of the Company or such Subsidiary Guarantor, as the case may be, becomes aware of any Default or Event of Default under this Indenture that is then continuing, an Officers' Certificate stating that a Default or an Event of Default has occurred, specifying such Default or Event of Default and what action the Company or such Subsidiary Guarantor, as the case may be, is taking or proposes to take with respect thereto. If a Default or Event of Default for a failure to report or failure to deliver a required certificate in connection with another Default (the "Initial Default") occurs, then at the time such Initial Default is cured, such Default or Event of Default for a failure to report or failure to deliver a required certificate in connection with another Default that resulted solely because of such Initial Default will also be cured without any further action.

Section 5.02. Additional Covenants.

The following provisions shall be added to Article IV of the Indenture for the benefit of Holders, but only with respect to the Notes:

SECTION 4.08 *Covenant Suspension.*

(a) At any time after the Notes have received an Investment Grade Rating from both of the Rating Agencies (a "Suspension Event"), upon notice by the Company to the Trustee certifying that a Suspension Event has occurred and that, at the time of the giving of such notice, no Default has occurred and is continuing under this Indenture (a "Suspension Event Notice"), then, at the option of the Company, the covenant in Section 4.13 (the "Suspended Covenant") will be suspended and the Company and its Restricted Subsidiaries will not be subject to such covenant. In addition, upon the occurrence of a Suspension Event, at the option of

the Company, the Guarantees of the Subsidiary Guarantors will also be released (together with the Suspended Covenant, the “Suspended Provisions”).

(b) If at any time following the occurrence of a Suspension Event, the Notes’ credit rating is below an Investment Grade Rating by any Rating Agency, then the Suspended Provisions will thereafter be reinstated as if such provisions had never been suspended (the “Reinstatement Date”) and be applicable pursuant to the terms of this Indenture, unless and until the Notes subsequently attain an Investment Grade Rating from both of the Rating Agencies and no Default is in existence and continuing at such time (in which event the Suspended Provisions shall no longer be in effect for such time that the Notes maintain an Investment Grade Rating from both of the Rating Agencies); *provided, however*, that no Default or breach of any kind shall be deemed to exist under this Indenture, the Notes or the Guarantees with respect to the Suspended Provisions based on, and none of the Company nor any of its Subsidiaries shall bear any liability for, any actions taken or events occurring during the Suspension Period (as defined below) that were permitted at such time, regardless of whether such actions or events would not have been permitted if the Suspended Provisions had remained in effect during such period. The period of time between the Suspension Event and the Reinstatement Date is referred to as the “Suspension Period.”

(c) Promptly following the occurrence of any Suspension Event or Reinstatement Date, the Company will provide an Officers’ Certificate to the Trustee regarding such occurrence. The Trustee shall have no obligation to independently determine or verify if a Suspension Event or Reinstatement Date has occurred, monitor the ratings of the Notes or notify the Holders of any Suspension Event or Reinstatement Date.

SECTION 4.09 *Change of Control.*

(a) Upon the occurrence of a Change of Control, each Holder shall have the right to require that the Company repurchase all or any part of such Holder’s Notes at a purchase price in cash equal to 101% of the principal amount thereof on the date of repurchase plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase (subject to the right of Holders of record as of the close of business on the relevant record date to receive interest due on the relevant Interest Payment Date), in accordance with the terms contemplated in Section 4.09(b).

(b) Within 30 days following any Change of Control, the Company shall mail a notice to each Holder and any agent appointed for such purpose with a copy to the Trustee (the “Change of Control Offer”) stating:

(1) that a Change of Control has occurred and that such Holder has the right to require the Company to repurchase such Holder’s Notes at a purchase price in cash equal to 101% of the principal amount thereof on the date of repurchase, plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase (subject to the right of Holders of record as of the close of business on the relevant record date to receive interest due on the relevant Interest Payment Date);

(2) the repurchase date (which shall be no earlier than 30 days nor later than 60 days from the date such notice is mailed); and

(3) the instructions, as determined by the Company, consistent with this Section 4.09, that a Holder must follow in order to have its Notes repurchased.

(c) Holders electing to have a Note repurchased will be required to surrender the Note, with an appropriate form duly completed, to the Company at the address specified in the notice at least three Business Days prior to the repurchase date. Holders will be entitled to withdraw their election if the agent or the Company receives not later than one Business Day prior to the repurchase date, a facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note which was delivered for repurchase by the Holder and a statement that such Holder is withdrawing its election to have such Note purchased.

(d) On the repurchase date, all Notes repurchased by the Company under this Section 4.09 shall be delivered by the Company to the Trustee for cancellation, and the Company shall pay the purchase price plus accrued and unpaid interest, if any, to the Holders entitled thereto.

(e) The Company shall not be required to make a Change of Control Offer following a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Section 4.09 applicable to a Change of Control Offer made by the Company and repurchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (2) a notice of redemption or discharge that is or has become unconditional has been given pursuant to Section 3.12 or Section 8.01, unless and until there is a default in payment of the applicable Redemption Price or discharge.

(f) Notwithstanding any other provision of this Indenture, a Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(g) The Company shall comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with the repurchase of Notes pursuant to this Section 4.09. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section 4.09, the Company shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.09 by virtue of its compliance with such securities laws or regulations.

(h) Notwithstanding the foregoing, in connection with any tender offer or Change of Control Offer, if the Holders of Notes of not less than 90% in the aggregate principal amount of the outstanding Notes validly tender and the Company or a third-party in lieu of the Company purchases all of the Notes validly tendered and not withdrawn by such Holders, the Company or such third party will have the right upon not less than 10 nor more than 60 days'

prior notice to redeem all Notes that then remain outstanding following such purchase at a Redemption Price equal to the price offered to each other Holder (excluding any early tender or incentive fee) in such tender offer or Change of Control Offer plus, to the extent not included in the tender offer or Change of Control Offer, accrued and unpaid interest, if any, thereon to, but excluding, the Redemption Date.

SECTION 4.10 *Limitations on Designation of Unrestricted Subsidiaries.*

(a) The Company may designate any Restricted Subsidiary of the Company to be an Unrestricted Subsidiary if (1) that designation would not cause a Default and (2) the Company concurrently designates, or has previously designated, such Restricted Subsidiary to be an Unrestricted Subsidiary pursuant to and in compliance with each syndicated Credit Facility. The Company may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary.

(b) Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary must be evidenced by delivery to the Trustee of an Officers' Certificate certifying that such designation complied with Section 4.10(a).

(c) If, at any time, any Unrestricted Subsidiary would fail to meet the definition of "Unrestricted Subsidiary," it shall thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Liens of such Subsidiary shall be deemed to be incurred by a Restricted Subsidiary as of such date and, if such Liens are not permitted to be incurred as of such date under Section 4.11, the Company shall be in default of such covenant.

(d) The Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary of the Company; *provided* that such designation will be deemed to be an incurrence of Liens by a Restricted Subsidiary of the Company of any outstanding Liens of such Unrestricted Subsidiary, and such designation shall only be permitted if (1) such Liens are permitted under Section 4.11 and (2) no Event of Default would be in existence following such designation.

SECTION 4.11 *Limitations on Liens.*

(a) The Company shall not, and shall not permit any Restricted Subsidiary to create, incur, assume or otherwise cause to exist or become effective any Lien (a "Triggering Lien") of any kind (other than Permitted Liens) securing Indebtedness upon any of their property or assets, now owned or hereafter acquired, or any income or profits therefrom unless all payments due under this Indenture and the Notes (or under a Guarantee in the case of Liens of a Subsidiary Guarantor) are secured on an equal and ratable basis with the obligations so secured (such Indebtedness in respect of which the Notes or Guarantees have been so secured, the "Equal and Ratable Secured Indebtedness") until such time as such obligations are no longer secured by a Triggering Lien.

(b) In addition, the Company or any of the Restricted Subsidiaries may create, incur, assume or otherwise cause to exist or become effective any Lien of any kind (other than Permitted Liens) securing Indebtedness, without equally and ratably securing the Notes (or a

Guarantee in the case of Liens of a Subsidiary Guarantor) pursuant to Section 4.11(a), if immediately thereafter the sum of (1) the aggregate principal amount of all Secured Indebtedness outstanding (excluding Indebtedness secured by Permitted Liens and any Equal and Ratable Secured Indebtedness) and (2) all Attributable Indebtedness in respect of Sale and Leaseback Transactions (excluding Attributable Indebtedness in respect of Permitted Sale and Leaseback Transactions and Exempt Sale and Leaseback Transactions) would not exceed 20% of Consolidated Net Tangible Assets as of such date.

(c) For purposes of determining compliance with this Section 4.11 and Section 4.12, (1) a Lien securing an item of Indebtedness need not be permitted solely by reference to either Section 4.11(a) or Section 4.11(b) or to one category (or portion thereof) of Permitted Liens described in clauses (1) through (27) of the definition of “Permitted Liens” but may be permitted in part under any combination thereof and (2) in the event that a Lien securing an item of Indebtedness, Disqualified Equity Interests or preferred stock (or any portion thereof) meets the criteria of either Section 4.11(a) or Section 4.11(b) or one or more of the categories (or portions thereof) of Permitted Liens described in clauses (1) through (27), the Company shall, in its sole discretion, divide, classify or reclassify, or later divide, classify or reclassify, such Lien securing such item of Indebtedness (or any portion thereof) in any manner that complies (based on circumstances existing at the time of such division, classification or reclassification) with this Section 4.11. For the avoidance of doubt, if and to the extent that any Indebtedness is incurred to refinance, refund or replace any Indebtedness secured by Liens permitted under any clause of the definition of “Permitted Liens” or Section 4.11(b) that is limited by a percentage of Consolidated Net Tangible Assets, the Indebtedness so incurred may be secured by Liens pursuant to such clause or subclause or Section 4.11(b) at such time.

(d) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “Increased Amount” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, the payment of dividends on preferred stock in the form of additional shares of preferred stock of the same class, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness described in the definition of “Indebtedness.”

SECTION 4.12 *Limitations on Sale and Leaseback Transactions.*

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction after the Issue Date, unless:

(1) the Company or the relevant Restricted Subsidiary receives Fair Market Value for the property sold (it being understood that, for the avoidance of doubt, fair value may take into account all circumstances of the Sale and Leaseback Transaction, including, without limitation, the lease back arrangement); and

(2) the Company or a Restricted Subsidiary, within 365 days after the completion of the Sale and Leaseback Transaction, applies, or enters into a definitive agreement to apply within such 365-day period, an amount equal to the net proceeds therefrom either:

(A) to the redemption, repayment or other retirement for value of (i) the Notes or (ii) any indebtedness of the Company or any Restricted Subsidiary that is for borrowed money or is evidenced by a bond, note, debenture, guarantee or similar instrument (other than a trade payable or a current liability arising in the ordinary course of business) and which indebtedness ranks equally in right of payment with the Notes or a Guarantee, as applicable; or

(B) to the purchase by the Company or a Restricted Subsidiary of property used in the trade or business of the Company or any Restricted Subsidiary.

Any Sale and Leaseback Transaction that fulfills the requirements of clauses (1) and (2) of this Section 4.12(a) is a “Permitted Sale and Leaseback Transaction.”

(b) The provisions of the covenant in Section 4.12(a) will not apply to (each, an “Exempt Sale and Leaseback Transaction”):

(1) a Sale and Leaseback Transaction if, at the time such Sale and Leaseback Transaction is entered into, the term of the related lease to the Company or the relevant Restricted Subsidiary of the property being sold pursuant to such transaction is three years or less;

(2) a Sale and Leaseback Transaction for which the encumbrance on the relevant property would be a Permitted Lien; and

(3) a Sale and Leaseback Transaction relating to a property entered into within 180 days after the latest of (A) the date of acquisition of such property by the Company or any Restricted Subsidiary, (B) the date of completion of construction of such property and (C) the date of commencement of full operations of such property.

(c) In addition, the Company and the Restricted Subsidiaries may enter into a Sale and Leaseback Transaction if immediately thereafter the sum of (1) the aggregate principal amount of all Secured Indebtedness outstanding (excluding Indebtedness secured by Permitted Liens and any Equal and Ratable Secured Indebtedness) and (2) all Attributable Indebtedness in respect of Sale and Leaseback Transactions (excluding Attributable Indebtedness in respect of Permitted Sale and Leaseback Transactions or Exempt Sale and Leaseback Transactions) as of the date of determination would not exceed 20% of Consolidated Net Tangible Assets as of such date.

SECTION 4.13 *Additional Guarantees.*

After the Issue Date, the Company will cause each Restricted Subsidiary that guarantees Indebtedness (limited to clauses (1), (2) or (3) of the definition thereof) under any syndicated Credit Facility (including, without limitation, the Revolving Credit Facility) or capital markets debt securities in excess of \$75,000,000, in each case of either the Company or any Subsidiary Guarantor, to execute and deliver to the Trustee, within 30 days of incurring such guarantee, a supplemental indenture to this Indenture pursuant to which such Restricted Subsidiary will provide a Guarantee. Each Guarantee shall be subject to the terms and limitations, including certain customary release provisions, contained in this Indenture.

The Company at any time at its sole option may cause any Subsidiary that is not a Subsidiary Guarantor to become a Subsidiary Guarantor by executing a supplemental indenture to this Indenture and delivering the documents required by this Indenture.

SECTION 4.14 *Reports to Holders.*

Whether or not required by the SEC, the Company shall furnish to the Trustee and the Holders of the Notes, from and after the Issue Date and within the time periods specified in the SEC's rules and regulations (including any grace periods or extensions permitted by the SEC):

(1) all quarterly and annual financial information that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K if the Company were required to file these Forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, an audit report on the annual financial statements by the Company's certified independent accountants; and

(2) all current reports that would be required to be filed with the SEC on Form 8-K if the Company were required to file these reports.

In addition, whether or not required by the SEC, the Company shall file a copy of all of the information and reports referred to in clauses (1) and (2) of this Section 4.14 with the SEC for public availability within the time periods specified in the SEC's rules and regulations (unless the SEC will not accept the filing) and make the information available to securities analysts and prospective investors upon request.

At any time that there shall be one or more Unrestricted Subsidiaries that, in the aggregate, hold more than 15.0% of Consolidated Net Tangible Assets, the quarterly and annual financial information required by the preceding paragraph shall include a reasonably detailed presentation of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries.

In addition, for so long as any Notes remain outstanding, if at any time the Company is not required to file with the SEC the reports required by the preceding paragraphs, it

shall furnish to the Holders of the Notes and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

The Company will be deemed to have furnished the information and reports described above to the Trustee, the Holders of the Notes and prospective investors if the Company has filed such information and reports with the SEC using the SEC's Electronic Data Gathering, Analysis and Retrieval system (or any successor system) and such information and reports are publicly available or, if the SEC will not accept the Company's filings for any reason, if the Company posts such information and reports on its website within the time periods specified above. The Trustee shall have no responsibility whatsoever to determine if such information and reports have been filed with the SEC or posted on the Company's website, and the delivery of such information and reports to the Trustee is for informational purposes only. The Trustee's receipt of such shall not constitute constructive or actual notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely conclusively on Officers' Certificates). The Trustee is under no duty to examine such information or reports to ensure compliance with the provisions of this Indenture or to ascertain the correctness or otherwise of the information or the statements contained therein.

The Company will also deliver to the Trustee, within 120 days after the end of each fiscal year, an Officers' Certificate stating that, to the signing Officers' knowledge, no Default or Event of Default exists, or if a Default or Event of Default exists, a description of such Default or Event of Default and what action the Company and/or Subsidiary Guarantors are taking or propose to take with respect thereto.

The Trustee shall have no duty to inquire as to the performance of the covenants set forth in this Indenture.

Any and all Defaults or Events of Default arising from a failure to furnish in a timely manner any financial information required by this Section 4.14 shall be deemed cured (and the Company shall be deemed to be in compliance with this Section 4.14) upon furnishing such financial information as contemplated by this Section 4.14 (but without regard to the date on which such financial statement or report is so furnished).

ARTICLE SIX

Successors

Section 5.01 of the Indenture shall be amended by replacing that section of the Indenture in its entirety with the following, but only with respect to the Notes:

SECTION 5.01 *Limitations on Mergers, Consolidations and Sales of Assets.*

(a) The Company will not in a single transaction or a series of related transactions, (x) consolidate or merge with or into any Person (other than a merger that satisfies

the requirements of Section 5.01(a)(1) with a Wholly Owned Restricted Subsidiary solely for the purpose of changing the Company's jurisdiction of incorporation to another State of the United States), or sell, lease, transfer, convey or otherwise dispose of or assign all or substantially all of the assets of the Company and the Restricted Subsidiaries (taken as a whole) to any Person or (y) adopt a Plan of Liquidation unless, in either case:

(1) either:

(A) the Company will be the surviving or continuing Person; or

(B) the Person formed by or surviving such consolidation or merger or to which such sale, lease, conveyance or other disposition shall be made (or, in the case of a Plan of Liquidation, any Person to which assets are transferred) (collectively, the "Successor") is a corporation or limited liability company organized and existing under the laws of any State of the United States of America or the District of Columbia, and the Successor expressly assumes, by supplemental indenture, all of the obligations of the Company under the Notes and this Indenture; *provided* that, in the case of the Company, at any time the Successor is a limited liability company, there shall be a co-issuer of the Notes that is a corporation organized and existing under the laws of any State of the United States of America or the District of Columbia;

(2) immediately prior to and immediately after giving effect to such transaction and the assumption (if applicable) of the obligations as set forth in Section 5.01(a)(1)(B), no Default shall have occurred and be continuing; and

(3) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all applicable conditions and covenants contained in this Indenture have been complied with, that such supplemental indenture complies with the provisions of this Indenture and, with respect to such Opinion of Counsel, that such supplemental indenture is the legal, valid and binding obligation of the Company or the Successor.

For purposes of this Section 5.01, any Indebtedness of the Successor which was not Indebtedness of the Company immediately prior to the transaction shall be deemed to have been incurred in connection with such transaction.

(b) No Subsidiary Guarantor may consolidate with or merge with or into (whether or not such Subsidiary Guarantor is the surviving Person) another Person, whether or not affiliated with such Subsidiary Guarantor, unless:

(1) either:

(A) such Subsidiary Guarantor will be the surviving or continuing Person; or

(B) the Person formed by or surviving any such consolidation or merger assumes, by supplemental indenture, all of the obligations of such Subsidiary Guarantor under the Guarantee of such Subsidiary Guarantor and this Indenture;

(2) immediately after giving effect to such transaction, no Event of Default shall have occurred and be continuing; and

(3) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all applicable conditions and covenants contained in this Indenture have been complied with and that such supplemental indenture complies with the provisions of this Indenture and, with respect to such Opinion of Counsel, that such supplemental indenture is the legal, valid and binding obligation of the Subsidiary Guarantor or such Person.

Notwithstanding the foregoing, (a) any Restricted Subsidiary may merge into the Company or another Restricted Subsidiary and (b) the requirements of the immediately preceding paragraph will not apply to any transaction pursuant to which such Subsidiary Guarantor is permitted to be released from its Guarantee in accordance with the provisions described under Section 10.04.

Upon any consolidation, combination or merger of the Company or a Subsidiary Guarantor, or any transfer of all or substantially all of the assets of the Company in accordance with the foregoing, in which the Company or such Subsidiary Guarantor is not the continuing obligor under the Notes or its Guarantee, the surviving entity formed by such consolidation or into which the Company or such Subsidiary Guarantor is merged or to which the conveyance, lease or transfer is made will succeed to, and be substituted for, and may exercise every right and power of, the Company or such Subsidiary Guarantor under this Indenture, the Notes and the Guarantees with the same effect as if such surviving entity had been named therein as the Company or such Subsidiary Guarantor and, except in the case of a conveyance, transfer or lease, the Company or such Subsidiary Guarantor, as the case may be, will be released from the obligation to pay the principal of and interest on the Notes or in respect of its Guarantee, as the case may be, and all of the Company's or such Subsidiary Guarantor's other obligations and covenants under the Notes, this Indenture and its Guarantee, if applicable.

ARTICLE SEVEN

Defaults and Remedies

Section 7.01. Events of Default.

(a) The first paragraph of Section 6.01 of the Indenture shall be amended by replacing that paragraph of the Indenture in its entirety with the following, but only with respect to the Notes (referred to as Securities of that series in the Indenture):

Each of the following is an “Event of Default” with respect to the Notes:

(1) failure by the Company to pay interest on or any Additional Amounts with respect to any of the Notes when it becomes due and payable and the continuance of such failure for 30 days;

(2) failure by the Company to pay the principal on any of the Notes when it becomes due and payable, whether at stated maturity, upon redemption, upon purchase, upon acceleration or otherwise;

(3) failure by the Company or any Subsidiary Guarantor to comply with any of its other covenants or agreements in, or provisions of, the Notes or this Indenture (other than an agreement, covenant or provision that has expressly been included in this Indenture solely for the benefit of one or more series of Securities other than the Notes) which shall not have been remedied within the specified period after written notice, as specified in the last paragraph of this Section 6.01;

(4) the Company or any Subsidiary Guarantor that is a Significant Subsidiary, pursuant to or within the meaning of any Bankruptcy Law:

(A) commences a voluntary case,

(C) consents to the appointment of a Bankruptcy Custodian of it or for all or substantially all of its property, or

(D) makes a general assignment for the benefit of its creditors;

(5) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that remains unstayed and in effect for 90 days and that:

(A) is for relief against the Company or any Subsidiary Guarantor that is a Significant Subsidiary as debtor in an involuntary case,

(B) appoints a Bankruptcy Custodian of the Company or any Subsidiary Guarantor that is a Significant Subsidiary or a Bankruptcy Custodian for all or substantially all of the property of the Company or any Subsidiary Guarantor that is a Significant Subsidiary, or

(7) default under any mortgage, indenture or other instrument or agreement under which there may be issued or by which there may be secured or evidenced Indebtedness (other than Non-Recourse Indebtedness) of the Company or any Restricted Subsidiary, whether such Indebtedness now exists or is incurred after the Issue Date, which default:

(A) is caused by a failure to pay when due principal on such Indebtedness within the applicable express grace period, or

(B) results in the acceleration of such Indebtedness prior to its express final maturity, and

in each case, the outstanding principal amount of such Indebtedness, together with the outstanding principal amount of any other Indebtedness with respect to which an event described in Section 6.01(7)(A) or (B) has occurred and is continuing, aggregates to \$75,000,000 or more; *provided, however*, that if any such default is cured or waived or any acceleration rescinded or such Indebtedness is repaid within a period of 10 days from the continuation of such default beyond any applicable grace period or the occurrence of such acceleration, as the case may be, such Event of Default under this Indenture and any consequential acceleration of the Notes shall automatically be rescinded so long as such rescission does not conflict with any judgment or decree; or

(b) The last paragraph of Section 6.01 of the Indenture shall be amended by replacing that paragraph of the Indenture in its entirety with the following, but only with respect to the Notes:

A Default under clause (3) of this Section 6.01 is not an Event of Default until the Trustee notifies the Company and the Subsidiary Guarantors, or the Holders of at least 25% in principal amount of the then outstanding Securities of the series affected by such Default (or, in the case of a Default under clause (3) of this Section 6.01, if outstanding Securities of other series are affected by such Default, then at least 25% in principal amount of the then outstanding Securities so affected) notify the Company, the Subsidiary Guarantors and the Trustee, of the Default, and the Company or the applicable Subsidiary Guarantor, as the case may be, fails to cure the Default within 60 days after receipt of the notice. The notice must specify the Default, demand that it be remedied and state that the notice is a "Notice of Default."

Section 7.02. Acceleration.

Section 6.02 of the Indenture shall be amended by replacing that section of the Indenture in its entirety with the following, but only with respect to the Notes:

SECTION 6.02 *Acceleration.*

If an Event of Default with respect to any Securities of any series at the time outstanding (other than an Event of Default specified in clause (4) or (5) of Section 6.01) occurs and is continuing, the Trustee, by written notice to the Company and the Subsidiary Guarantors, or the Holders of at least 25% in principal amount of the then outstanding Securities of the series affected by such Event of Default (or, in the case of an Event of Default described in clause (3) of Section 6.01, if outstanding Securities of other series are affected by such Event of Default, then at least 25% in principal amount of the then outstanding Securities so affected), by written notice to the Company, the Subsidiary Guarantors and the Trustee, may declare the principal of (or, if any such Securities are Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series) and all accrued and unpaid interest on all then outstanding Securities of such series or of all series, as the case may be, to be due and payable. Upon any such declaration, the amounts due and payable on the Securities shall be due and payable immediately. If an Event of Default specified in clause (4) or (5) of Section 6.01 hereof occurs, such amounts shall *ipso facto* become and be immediately due and payable without any declaration, notice or other act on the part of the Trustee or any Holder. The Holders of a majority in principal amount of the then outstanding Securities of the series affected by such Event of Default or all series so affected, as the case may be, by written notice to the Trustee may rescind an acceleration and its consequences (other than nonpayment of principal of or premium or interest on or any Additional Amounts with respect to the Securities) if (i) the rescission would not conflict with any judgment or decree, (ii) all existing Events of Default with respect to Securities of that series (or of all series, as the case may be) have been cured or waived, except nonpayment of principal, premium, interest or any Additional Amounts that has become due solely because of the acceleration, and (iii) the Trustee has been paid any amounts due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07.

ARTICLE EIGHT

Guarantee

Section 8.01. Execution and Delivery of Guarantees.

Section 10.02 of the Indenture shall be amended by replacing that section of the Indenture in its entirety with the following, but only with respect to the Notes:

SECTION 10.02 *Execution and Delivery of Guarantees.*

To further evidence its Guarantee set forth in Section 10.01, each of the Subsidiary Guarantors hereby agrees that a notation relating to such Guarantee (the “Notation of Guarantee”), substantially in the form attached hereto as Annex A, shall be endorsed on each Security of the series entitled to the benefits of such Guarantee authenticated and delivered by the Trustee, which Notation of Guarantee shall be executed by an Officer of such Subsidiary Guarantor by manual signature, facsimile or other electronic format (including, without limitation, “pdf,” “tif” or “jpg”) or other electronic signature (including, without limitation, DocuSign and AdobeSign). Each of the Subsidiary Guarantors hereby agrees that its Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding any failure to endorse on each Security the Notation of Guarantee relating to such Guarantee. If any Officer of such Subsidiary Guarantor, whose signature is on this Indenture or the Notation of Guarantee no longer holds that office at the time the Trustee authenticates such Security or at any time thereafter, the Guarantee of such Security shall be valid nevertheless. The delivery of any Security of a series entitled to the benefits of a Guarantee under this Article X by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of each Subsidiary Guarantor.

Section 8.02. Release of Subsidiary Guarantors from Guarantee.

Section 10.04 of the Indenture shall be amended by replacing that section of the Indenture in its entirety with the following, but only with respect to the Notes:

SECTION 10.04 *Release of Subsidiary Guarantors from Guarantee.*

(a) A Subsidiary Guarantor will be released from its obligations under this Article 10 (other than any obligation that may have arisen under Section 10.05):

- (1) upon any consolidation with, or merger with or into, any Person by such Subsidiary Guarantor pursuant to Section 5.01(b);
- (2) upon the disposition of all or a portion of the capital stock of such Subsidiary Guarantor such that such Subsidiary Guarantor ceases to be a Subsidiary;
- (3) upon a sale, exchange, transfer or other disposition (including by way of merger, amalgamation, consolidation, dividend distribution or otherwise) of all or substantially all of the assets of such Subsidiary Guarantor to a Person other than the Company or a Subsidiary;
- (4) upon the designation of such Subsidiary Guarantor as an Unrestricted Subsidiary in accordance with the terms of this Indenture;
- (5) at such time as such Subsidiary Guarantor does not have any guarantees outstanding (and the release from one or more of such Subsidiary Guarantor’s other guarantees may be conditioned upon the concurrent release of such Subsidiary Guarantor’s Guarantee) that would have required such Subsidiary Guarantor to enter into a Guarantee pursuant to Section 4.13 except upon a discharge or release in full as a result

of payment under such Guarantee (it being understood that a release subject to a contingent reinstatement is still considered a release);

- (6) upon defeasance of the Securities pursuant to Article VIII;
- (7) upon the discharge of the Company's obligations under this Indenture;
- (8) as described under Section 9.06; or
- (9) upon delivery of a Suspension Event Notice pursuant to a Suspension Event;

provided, however, that in the case of Section 10.04(a)(1), if such other Person is not the Company or a Subsidiary Guarantor, then (i) either (A) such Subsidiary Guarantor's obligations under its Guarantee must be expressly assumed by such other Person by a supplemental indenture, except that such assumption will not be required if such other Person is a Subsidiary of the Company, or (B) such transaction is (1) a sale or other disposition of all or substantially all of the assets of such Subsidiary Guarantor (including by way of merger or consolidation) to a Person or Persons that are not (either before or after giving effect to such transaction) the Company or a Subsidiary, or (2) a sale or other disposition of all of the Equity Interests of that Guarantor to a Person or Persons that are not (either before or after giving effect to such transaction) the Company or a Subsidiary, and (ii) the Company provides to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all applicable conditions and covenants contained in this Indenture have been complied with, that such supplemental indenture complies with the provisions of this Indenture and, with respect to such Opinion of Counsel, that such supplemental indenture is the legal, valid and binding obligation of the Subsidiary Guarantor or such other Person.

(b) The Trustee shall deliver an appropriate instrument evidencing any release of a Subsidiary Guarantor from its Guarantee upon receipt of a written request of the Company accompanied by an Officers' Certificate and an Opinion of Counsel that the Subsidiary Guarantor is entitled to such release in accordance with the provisions of this Indenture. If the Subsidiary Guarantor is not so released, it shall remain liable for the full amount of principal of (and premium, if any, on) and interest on the Notes entitled to the benefits of such Guarantee as provided in this Indenture, subject to the limitations of Section 10.03.

The Company shall execute and the Trustee shall, upon receipt of a Company Order, in accordance with this Section 2.1(b), authenticate and deliver initially one or more Global Notes that (a) shall be registered in the name of the Depository for such Global Note or Global Notes or the nominee of such Depository and (b) shall be delivered by the Trustee to such Depository or pursuant to such Depository's instructions or held by the Trustee as custodian for the Depository.

Members of, or participants in, the Depository ("Agent Members") shall have no rights under this Supplemental Indenture with respect to any Global Note held on their behalf by the Depository or by the Trustee as the custodian of the Depository or under such Global Note, and the Company, the Trustee and any agent of the Company or the Trustee shall be entitled to treat the Depository as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Company, the Trustee or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices of such Depository governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(a) *Transfer and Exchange of Definitive Notes.* When Definitive Notes are presented to the Registrar with a request:

(x) to register the transfer of such Definitive Notes; or

(y) to exchange such Definitive Notes for an equal principal amount of Definitive Notes of other authorized denominations,

the Registrar shall register the transfer or make the exchange as requested if its reasonable requirements for such transaction are met; *provided, however*, that the Definitive Notes surrendered for transfer or exchange:

(i) shall be duly endorsed or accompanied by a written instrument of transfer in form reasonably satisfactory to the Registrar, duly executed by the Holder thereof or its attorney duly authorized in writing; and

(ii) if such Definitive Notes are required to bear a restricted notes legend, they are being transferred or exchanged pursuant to an effective registration statement under the Securities Act, pursuant to Section 2.3(b) hereof or pursuant to clause (A), (B) or (C) below, and are accompanied by the following additional information and documents, as applicable:

(A) if such Definitive Notes are being delivered to the Registrar by a Holder for registration in the name of such Holder, without transfer, a certification from such Holder to that effect; or

(B) if such Definitive Notes are being transferred to the Company, a certification to that effect; or

(C) if such Definitive Notes are being transferred (x) pursuant to an exemption from registration in accordance with Rule 144A, Regulation S or Rule 144 under the Securities Act; or (y) in reliance upon another exemption from the requirements of the Securities Act: (i) a certification to that effect (in the form set forth on the reverse side of the Note) and (ii) if the Company so requests, an opinion of counsel or other evidence reasonably satisfactory to it as to the compliance with the restrictions set forth in the legend set forth in Section 2.3(d)(i) hereof.

(b) *Restrictions on Transfer of a Definitive Note for a Beneficial Interest in a Global Note.* A Definitive Note may not be exchanged for a beneficial interest in a Rule 144A Global Note or a Permanent Regulation S Global Note except upon satisfaction of the requirements set forth below. Upon receipt by the Trustee of a Definitive Note, duly endorsed or accompanied by appropriate instruments of transfer, in form satisfactory to the Trustee, together with:

(i) a certification (in the form set forth on the reverse side of the Note) that such Definitive Note is either (A) being transferred to a QIB in accordance with Rule 144A or (B) being transferred after expiration of the Distribution Compliance Period by a Person who initially purchased such Note in reliance on Regulation S to a buyer who elects to hold its interest in such Note in the form of a beneficial interest in the Permanent Regulation S Global Note; and

(ii) written instructions directing the Trustee to make, or to direct the Notes Custodian to make, an adjustment on its books and records with respect to such Rule

144A Global Note (in the case of a transfer pursuant to clause (b)(i)(A)) or Permanent Regulation S Global Note (in the case of a transfer pursuant to clause (b)(i)(B)) to reflect an increase in the aggregate principal amount of the Notes represented by the Rule 144A Global Note or Permanent Regulation S Global Note, as applicable, such instructions to contain information regarding the Depository account to be credited with such increase,

then the Trustee shall cancel such Definitive Note and cause, or direct the Notes Custodian to cause, in accordance with the standing instructions and procedures existing between the Depository and the Notes Custodian, the aggregate principal amount of Notes represented by the Rule 144A Global Note or Permanent Regulation S Global Note, as applicable, to be increased by the aggregate principal amount of the Definitive Note to be exchanged and shall credit or cause to be credited to the account of the Person specified in such instructions an interest in the Rule 144A Global Note or Permanent Regulation S Global Note, as applicable, equal to the principal amount of the Definitive Note so canceled. If no Rule 144A Global Notes or Permanent Regulation S Global Notes, as applicable, are then outstanding, the Company shall issue and the Trustee shall authenticate, upon receipt of a Company Order, a new Rule 144A Global Note or Permanent Regulation S Global Note, as applicable, in the appropriate principal amount.

(c) *Transfer and Exchange of Global Notes.*

(i) The transfer and exchange of Global Notes or beneficial interests therein shall be effected through the Depository, in accordance with this Supplemental Indenture (including applicable restrictions on transfer set forth herein, if any) and the procedures of the Depository therefor.

(ii) If the proposed transfer is a transfer of an interest in one Global Note to an interest in another Global Note, upon receipt of (A) a certification, in the form set forth on the reverse side of the Note, that such interest is either (x) being transferred to a QIB in accordance with Rule 144A or (y) being transferred after expiration of the Distribution Compliance Period by a Person who initially purchased such Note in reliance on Regulation S to a buyer who elects to hold its interest in such Note in the form of an interest in the Permanent Regulation S Global Note, and (B) instructions given in accordance with the Applicable Procedures to reflect such transfer, the Registrar shall approve such instructions in accordance with the Applicable Procedures and reflect on its books and records the date and an increase in the principal amount of the Global Note to which such interest is being transferred in an amount equal to the principal amount of the interest to be so transferred, and the Registrar shall reflect on its books and records the date and a corresponding decrease in the principal amount of the Global Note from which such interest is being transferred.

(iii) Notwithstanding any other provisions of this Appendix (other than the provisions set forth in Section 2.4 hereof), a Global Note may not be transferred as a whole except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such successor Depository.

(iv) In the event that a Global Note is exchanged for a Definitive Note pursuant to Section 2.4 hereof, such Notes may be exchanged only in accordance with such procedures as are substantially consistent with the provisions of this Section 2.3 (including the certification requirements set forth on the reverse side of the Notes intended to ensure that such transfers comply with Rule 144A, Regulation S or another applicable exemption under the Securities Act, as the case may be) and such other procedures as may from time to time be adopted by the Company.

(v) During the Distribution Compliance Period, beneficial ownership interests in Temporary Regulation S Global Notes may only be sold, pledged or transferred in accordance with the Applicable Procedures and only (i) to the Company, (ii) in an offshore transaction in accordance with Regulation S (other than a transaction resulting in an exchange for an interest in a Permanent Regulation S Global Note), or (iii) pursuant to an effective registration statement under the Securities Act, in each case in accordance with any applicable securities laws of any State of the United States.

(vi) Upon the Company's satisfaction that the Notes are no longer Transfer Restricted Notes and the legends in Section 2.3(d) below shall no longer be required in order to maintain compliance with the Securities Act, interests in a Transfer Restricted Note that is a Global Note may, at the Company's option, be automatically exchanged into interests in a Global Note that is not a Transfer Restricted Note without any action required by or on behalf of the Holder (the "Automatic Exchange") at any time on or after the date that is the 366th calendar day (or in the case of the Temporary Regulation S Global Note, the 40th calendar day) after (A) with respect to the Notes issued on the Issue Date, the Issue Date or (B) with respect to Additional Notes, if any, the issue date of such Additional Notes, or, in each case, if such day is not a Business Day, on the next succeeding Business Day (the "Automatic Exchange Date"). Upon the Company's satisfaction that the Notes are no longer Transfer Restricted Notes and the legend in Section 2.3(d) below shall no longer be required in order to maintain compliance with the Securities Act, the Company may (i) provide written notice to the Trustee at least 15 calendar days prior to any Automatic Exchange of the Resale Restriction Termination Date, (ii) provide prior written notice (the "Automatic Exchange Notice") to each Holder at such Holder's address appearing in the register of Holders with a copy to the Trustee at least 15 calendar days prior to any Automatic Exchange (an "Automatic Exchange Notice Date"), which notice must include (w) the Automatic Exchange Date, (x) the section of this Supplemental Indenture pursuant to which the Automatic Exchange shall occur, (y) the "CUSIP" number of the Transfer Restricted Note from which such Holder's interests will be transferred and (z) the "CUSIP" number of the Global Note that is not a Transfer Restricted Note into which such Holder's interests will be transferred, and (iii) on or prior to the date of the Automatic Exchange, deliver to the Trustee for authentication one or more Global Notes that are not Transfer Restricted Notes accompanied by a Company Order, duly executed by the Company, in an aggregate principal amount equal to the aggregate principal amount of Transfer Restricted Notes to be exchanged. Notwithstanding anything to the contrary in this Section 2.3(c)(vi), during the 10-day period between the Automatic Exchange Notice Date and the Automatic Exchange Date,

no transfers or exchanges other than pursuant to this Section 2.3(c)(vi) shall be permitted without the prior written consent of the Company. As a condition to any Automatic Exchange, the Company shall provide, and the Trustee shall be entitled to rely upon, an Officers' Certificate to the effect that such Automatic Exchange shall be effected in compliance with the Securities Act and that the restrictions on transfer contained herein and in the legends in Section 2.3(d) below shall no longer be required in order to maintain compliance with the Securities Act, and that the aggregate principal amount of the particular Global Notes that are Transfer Restricted Notes may be transferred to the particular Global Notes that are not Transfer Restricted Notes by adjustment made on the records of the Trustee, as Notes Custodian, to reflect such Automatic Exchange. The Transfer Restricted Note from which beneficial interests are transferred pursuant to an Automatic Exchange shall be canceled following such Automatic Exchange.

(e) *Cancellation or Adjustment of Global Note.* At such time as all beneficial interests in a Global Note have either been exchanged for Definitive Notes, redeemed, purchased or canceled, such Global Note shall be returned to the Depository for cancellation or retained and canceled by the Trustee. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for Definitive Notes, redeemed, purchased or canceled, the principal amount of Notes represented by such Global Note shall be reduced and an adjustment shall be made on the books and records of the Trustee (if it is then the Notes Custodian for such Global Note) with respect to such Global Note, by the Trustee or the Notes Custodian, to reflect such reduction.

(f) *No Obligation of the Trustee.*

(i) The Trustee shall have no responsibility or obligation to any beneficial owner of a Global Note, a member of, or a participant in the Depository or other Person with respect to the accuracy of the records of the Depository or its nominee or of any participant or member thereof, with respect to any ownership interest in the Notes or with respect to the delivery to any participant, member, beneficial owner or other Person (other than the Depository) of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes shall be given or made only to or upon the order of the registered Holders (which shall be the Depository or its nominee in the case of a Global Note). (a) A Global Note deposited with the Depository or with the Trustee as Notes Custodian for the Depository pursuant to Section 2.1 hereof shall be transferred to the beneficial owners thereof in the form of Definitive Notes in an aggregate principal amount equal to the principal amount of such Global Note, in exchange for such Global Note, only if such transfer complies with Section 2.3 hereof and (i) the Depository notifies the Company that it is unwilling or unable to continue as Depository for such Global Note and the Depository fails to appoint a successor depository within 90 days of such notice or if at any time such Depository ceases to be a “clearing agency” registered under the Exchange Act, in either case, and a successor depository is not appointed by the Company within 90 days of such notice, (ii) an Event of Default has occurred and is continuing or (iii) the Company, in its sole discretion, notifies the Trustee in writing that it elects to cause the issuance of Definitive Notes under this Supplemental Indenture.

Any portion of a Global Note transferred pursuant to this Section 2.4 shall be executed, authenticated and delivered only in minimum denominations of \$2,000 principal amount and any integral multiple of \$1,000 thereof and registered in such names as the Depository shall direct in writing. (d) In the event of the occurrence of one of the events specified in Section 2.4(a) hereof, the Company shall promptly make available to the Trustee a reasonable supply of Definitive Notes in definitive, fully registered form without interest coupons. In the event that such Definitive Notes are not issued, the Company expressly acknowledges, with respect to the right of any Holder to pursue a remedy pursuant to Section 6.06 of the Indenture, the right of any beneficial owner of Notes to pursue such remedy with respect to the portion of the Global Note that represents such beneficial owner's Notes as if such Definitive Notes had been issued.

8.750% Senior Note due 2028

Capitalized terms used herein but not defined shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. Interest. LGI Homes, Inc., a Delaware corporation (such corporation, and its successors and assigns under the Indenture hereinafter referred to, being herein called the “Company”), promises to pay interest on the principal amount of this Note at the rate per annum shown above. The Company will pay interest semiannually on June 15 and December 15 of each year, commencing June 15, 2024. Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the Issue Date. Interest will be computed on the basis of a 360-day year of twelve 30-day months.

2. Method of Payment. The Company will pay, or cause a Paying Agent to pay, interest on the Notes (except defaulted interest) to the Persons who are registered holders of Notes at the close of business on the June 1 or December 1 next preceding the interest payment date even if Notes are canceled after the record date and on or before the interest payment date. Holders must surrender Notes to a Paying Agent to collect principal payments. The Company will pay principal and interest in money of the United States that at the time of payment is legal tender for payment of public and private debts. If a Holder has given wire transfer instructions to the Company at least 10 Business Days prior to the applicable payment date, the Company will make all payments on the Holder’s Notes to an account in the United States in accordance with those instructions. Otherwise, payments on the Notes will be made at the office or agency of the Paying Agent and Registrar unless the Company elects to make interest payments by check mailed to the Holder entitled thereto at the address indicated on the register maintained by the Registrar for the Notes.

3. Paying Agent and Registrar. Initially, Regions Bank, in its capacity as trustee for the Notes (the “Trustee”) under the Indenture (as defined herein), will act as Paying Agent and Registrar. The Company may appoint and change any Paying Agent, Registrar or co-registrar without notice. The Company may act as Paying Agent or Registrar.

4. Indenture. The Company issued the Notes under an Indenture, dated as of July 6, 2018 (the “Base Indenture”), among the Company, the subsidiary guarantors from time to time party thereto and Wilmington Trust, National Association, as trustee under the Base Indenture, as amended and supplemented by the Fourth Supplemental Indenture thereto, dated as of November 21, 2023 (the “Supplemental Indenture” and, together with the Base Indenture, the “Indenture”), among the Company, the Subsidiary Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended from time to time (the “Act”). The Notes are subject to all such terms, and Holders are referred to the Indenture and the Act for a statement of those terms. In the event of any inconsistency between the terms of the Indenture and this Note, the terms of the Indenture shall control.

The Notes are general unsecured obligations of the Company and are initially issued in an aggregate principal amount of \$400,000,000. The Company may, subject to the provisions of the Indenture, issue Additional Notes of the same series from time to time without the consent of the Holders. The Notes initially issued and any Additional Notes subsequently issued under the Indenture will be treated as a single series for all purposes of the Indenture, including, without limitation, with respect to waivers, amendments, supplements, redemptions and offers to purchase.

The Indenture contains covenants that limit the ability of the Company and certain of its subsidiaries to incur certain secured indebtedness; incur certain liens; enter into certain sale and leaseback transactions; consolidate, merge or transfer all or substantially all of its assets and the assets of its subsidiaries; and designate unrestricted subsidiaries. These covenants are subject to important exceptions and qualifications.

5. Optional Redemption. Except as set forth below, the Company shall not be entitled to redeem the Notes.

On or after December 15, 2025, the Company may on any one or more occasions redeem all or a part of the Notes at the Redemption Prices (expressed as percentages of principal amount of the Notes redeemed) set forth below, plus accrued and unpaid interest, if any, on the Notes to be redeemed to, but excluding, the applicable Redemption Date (subject to the rights of Holders of record of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date), if redeemed during the twelve-month period beginning on December 15 of the years indicated below:

| Year | Percentage |
|---------------------|-------------------|
| 2025 | 104.375% |
| 2026 | 102.188% |
| 2027 and thereafter | 100.000% |

At any time prior to December 15, 2025, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of the Notes at a Redemption Price of 108.750% of the principal amount, plus accrued and unpaid interest, if any, to, but excluding, the Redemption Date (subject to the rights of Holders of record of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date), with an amount equal to all or a portion of the net cash proceeds of one or more Equity Offerings; provided that (1) at least 60% of the aggregate principal amount of the Notes issued under the Indenture (including any Additional Notes) remains outstanding immediately after the occurrence of such redemption (excluding Notes held by the Company and its Subsidiaries); and (2) the redemption occurs within 120 days of the date of the closing of each such Equity Offering.

At any time prior to December 15, 2025, the Company may on one or more occasions redeem all or a part of the Notes at a Redemption Price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest to, but excluding, the Redemption Date, subject to the rights of Holders of record of Notes on the relevant record date to receive interest due on the relevant Interest Payment Date.

6. Notice of Redemption. Notice of redemption shall be mailed by first class mail to each Holder of Notes to be redeemed at its registered address or otherwise delivered in accordance with the procedures of the Registrar at least 10 days but not more than 60 days before the Redemption Date, except that notice of redemption may be delivered more than 60 days prior to the Redemption Date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of the Indenture. Any inadvertent defect in the notice of redemption, including an inadvertent failure to give notice, to any Holder selected for redemption shall not impair or affect the validity of the redemption of any other Note redeemed in accordance with the provisions of the Indenture. Notes in denominations larger than \$2,000 principal amount may be redeemed in part but only in whole multiples of \$1,000. If money sufficient to pay the Redemption Price of and accrued and unpaid interest on all Notes (or portions thereof) to be redeemed on the Redemption Date is deposited with the Paying Agent on or before the Redemption Date and certain other conditions are satisfied, on and after such date, interest ceases to accrue on such Notes (or such portions thereof) called for redemption.

7. Put Provisions. Upon the occurrence of a Change of Control, each Holder of Notes shall have the right to require that the Company repurchase all or any part of the Notes of such Holder at a purchase price equal to 101% of the principal amount of the Notes to be repurchased plus accrued and unpaid interest, if any, to, but excluding, the date of repurchase (subject to the right of Holders of record as of the close of business on the relevant record date to receive interest due on the related Interest Payment Date) as provided in, and subject to the terms of, the Indenture.

8. Guarantee. The payment by the Company of the principal of, and premium and interest on, the Notes is fully and unconditionally guaranteed on a joint and several senior unsecured basis by each of the Subsidiary Guarantors to the extent set forth in the Indenture.

9. Denominations; Transfer; Exchange. The Notes are in registered form without coupons in minimum denominations of \$2,000 principal amount and integral multiples of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements or transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Without the prior consent of the Company, the Registrar is not required (1) to register the transfer of or exchange any Note selected for redemption, (2) to register the transfer of or exchange any Note for a period of 15 days before a selection of a Note to be redeemed or (3) to register the transfer or exchange of a Note between a record date and the next succeeding Interest Payment Date.

10. Persons Deemed Owners. The registered Holder of this Note may be treated as the owner of it for all purposes.

11. Unclaimed Money. If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent shall pay the money back to the Company at its written request unless an abandoned property law designates another Person.

After any such payment, Holders entitled to the money must look only to the Company and not to the Trustee or Paying Agent for payment.

12. Discharge and Defeasance. Subject to certain conditions, the Company at any time shall be entitled to terminate some or all of its obligations under the Notes and the Indenture if the Company or the Subsidiary Guarantors deposit with the Trustee any combination of money or Government Obligations for the payment of principal and interest on the Notes to redemption or maturity, as the case may be.

13. Amendment; Supplement; Waiver. Subject to certain exceptions set forth in the Indenture, (a) the Indenture or any series of securities under the Indenture (including the Notes) may be amended with the written consent of the Holders of at least a majority in principal amount of the securities of such series then outstanding and (b) any existing Default under, or compliance with any provision of, the Indenture may be waived with the written consent of the Holders of a majority in principal amount of the securities of such series then outstanding. Subject to certain exceptions set forth in the Indenture, without the consent of any Holder, the Company, the Subsidiary Guarantors and the Trustee shall be entitled to amend the Indenture, the Guarantees or the Notes to cure any ambiguity, defect or inconsistency, or to provide for uncertificated Notes in addition to or in place of Definitive Notes, or to provide for the assumption of the Company's or any Subsidiary Guarantor's obligations to the Holders in the case of a merger or acquisition, or to release any Subsidiary Guarantor from any of its obligations under its Guarantee or the Indenture (to the extent permitted by the Indenture), or to make any change that would provide any additional rights or benefits (including the addition of collateral) to the Holders of Notes or that does not adversely affect in any material respect the legal rights under the Indenture of any such Holder, or to comply with SEC rules and regulations or changes to applicable law, or to conform the text of the Indenture, the Guarantees or the Notes to any provision of the "Description of Notes" section of the Final Offering Memorandum, or to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture as of the Issue Date, or to allow any Subsidiary Guarantor to execute a supplemental indenture or a Guarantee with respect to the Notes, or to comply with the rules of any applicable securities depository.

14. Defaults and Remedies. Under the Indenture, Events of Default include (a) default for 30 days in payment of interest on the Notes; (b) default in payment of principal on the Notes at maturity, upon redemption, upon purchase, upon acceleration or otherwise; (c) failure by the Company to comply with other agreements or covenants in the Indenture or the Notes, in certain cases subject to notice and lapse of time; (d) certain accelerations (including failure to pay within any grace period after final maturity) of other Indebtedness of the Company or any Restricted Subsidiary if the amount accelerated (or so unpaid) exceeds \$75 million; (e) certain events of bankruptcy or insolvency with respect to the Company or any Significant Subsidiary; (f) certain judgments or decrees for the payment of money in excess of \$75 million; and (g) certain defaults with respect to Guarantees of any Significant Subsidiary. If an Event of Default occurs and is continuing, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding may declare all amounts owing under the Notes to be due and payable immediately. Certain events of bankruptcy or insolvency are Events of

Default that will result in the Notes being due and payable immediately upon the occurrence of such Events of Default.

Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may refuse to enforce the Indenture or the Notes unless it receives indemnity or security satisfactory to it. Subject to certain limitations, Holders of a majority in principal amount of the then-outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. The Trustee may withhold from Holders notice of any continuing Default (except a Default in payment of principal or interest or a Default in complying with Section 5.01 of the Indenture) if a committee of its trust officers in good faith determines that the withholding of such notice is in the interest of the Holders.

15. Trustee Dealings with Company. Subject to certain limitations imposed by the Act, the Trustee under the Indenture, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with and collect obligations owed to it by the Company or its Affiliates and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not Trustee.

16. No Recourse Against Others. No past, present or future director, manager, officer, employee, incorporator, member, stockholder, partner or other owner of the Company or any Restricted Subsidiary shall have any liability for any obligations of the Company under the Notes or the Indenture or any Subsidiary Guarantor under its Guarantee or for any claim based on, in respect of or by reason of such obligations or their creation. By accepting a Note, each Holder waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes and the Guarantees.

17. Authentication. This Note shall not be valid until an authorized signatory of the Trustee (or an authenticating agent) manually signs the certificate of authentication on the other side of this Note.

18. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as TEN COM (=tenants in common), TEN ENT (=tenants by the entireties), JT TEN (=joint tenants with rights of survivorship and not as tenants in common), CUST (=custodian), and U/G/M/A (=Uniform Gift to Minors Act).

19. CUSIP Numbers. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures the Company has caused CUSIP numbers to be printed on the Notes and has directed the Trustee to use CUSIP numbers in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

20. Governing Law. **THIS NOTE SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.**

The Company will furnish to any Holder upon written request and without charge to the Holder a copy of the Indenture which has in it the text of this Note in larger type. Requests may be made to:
